What our customer's say!

"I have been involved in volleyball coaching for over 30 years at every level from high school to men's DI. I have worked with Matchpoint for years and have always been impressed with the quality of the staff and the camp organization. You can spend more for a camp, but you won't get better. I don't even look at other camp situations." *Jim Orr, West Forsyth High School, Georgia.*

"Steve Colpus of Matchpoint Volleyball Camps is an excellent clinician. Every skill concept is explained in complete detail in an easy to understand manner for the girls. Drills ensure the learning and application of the instruction. I recommend this camp to any coach looking to take their team to the next level!" *Dave Cross, Head Coach, Keystone High School, Ohio. National Director of Yes I Can Volleyball.*

"Matchpoint has been doing our team summer camp the past 10 years. The instructors will take our team and challenge them mentally and physically to get better. The camp really focuses on every aspect of the game. The camp has great prices and you don't have to travel." *Heidi Hartzler, Smithville High School, Ohio*

"Matchpoint Volleyball has come to our school for two years. They bring a level of hard work and enthusiasm that our players have learned from and taken into the season. We have made it to the state tournament the last two years and part of the reason is our preseason experience with Matchpoint. I would recommend it to any high school team no matter what level." *Rita Highbaugh, Central Hardin High School, Kentucky*

"A high intensity, Matchpoint camp gets my players technically sound and ready for competition." *Jodie Johnson, Elyria High School, Ohio.*

"Over the past 8 years, Matchpoint has made a huge impact on our program, mentally, physically and the knowledge my players gain in four days is phenomenal!" *Lisa Newsome, Lakeside High School, Ohio*
