What our customers say!

"A high intensity camp both mentally and physically. Matchpoint camp gets my players technically sound and ready for competition." Jodie Johnson, Elyria High School, Ohio.

"I have been involved in volleyball coaching for over 30 years at every level from high school to men's DI. I have worked with Matchpoint for years and have always been impressed with the quality of the staff and the camp organization. You can spend more for a camp, but you won't get better instruction or more personalized instruction. I don't even look at other camp situations." Jim Orr, West Forsyth High School, Georgia.
